**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a business owner who works with a local business for my internet service. I love supporting the local community and another small business in their pursuit to provide jobs and create a competitive solution for internet.

I think competition in the marketplace makes services much better for the end user and is vital to ensuring that the service providers always have the consumer's best interests in mind.

Sincerely,

Lawrence Arevalo
